Computer Science Advisory Committee membership:  
VOTE requested by Noon, 12-18-19

*Thank you for serving on our Computer Science Program Advisory Committee.*

*We have recently updated our program learning outcomes to comply with curriculum and assessment guidelines. These outcomes will be used to provide information and as a means to assess our program. We are also proposing a few curriculum changes.*

*Please review the attached Proposed Changes document for the Computer Science Programs. **Reply with feedback or YES to approve.** Upon Advisory Committee members' approval, the curriculum and program changes will move forward to be reviewed and formally adopted within our College Academic Affairs Committee.*

*Thank you for your prompt attention to this matter. I would appreciate your review and feedback or approval **by NOON, Wednesday, December 18.***

***Please reply to this message with feedback or YES TO APPROVE.***

*Anyone not responding by noon, the vote will be considered an approval as presented.*
