Federal Parent PLUS Loan Information Sheet

What is the Federal Parent PLUS Loan?

The Federal Parent PLUS loan enables a parent or stepparent to borrow to pay the educational expenses of a child who is a dependent undergraduate student enrolled at least half-time. Applicants are encouraged to borrow the **minimum amount** needed to cover actual costs. Eligibility is determined by subtracting the student's total financial aid and resources from the cost of attendance.

Who may borrow a Parent PLUS Loan?

To borrow a PLUS loan for a student, the parent must be the student's biological or adoptive mother or father. Both parents may take out a PLUS loan as long as the total aid package does not exceed the student's cost of attendance. A stepparent is also eligible to borrow a PLUS loan if his/her income information was reported on the FAFSA. A legal guardian is not considered a parent for financial aid purposes, and therefore cannot borrow a PLUS loan.

What if I don't pass the credit check?

If you do not pass the credit check, you will be notified in writing by the Department of Education, and they will indicate that you have the following options:

- Appeal*: If you can document extenuating circumstances related to the adverse credit information.
- Endorsement*: You may obtain someone else who does not have an adverse credit history to endorse the loan. This person would be responsible to repay the loan if you are unable to make the payments.
- Federal Unsubsidized Loan: Your undergraduate student can request additional loan funds (maximum \$4,000 for freshmen and sophomores, \$5,000 for juniors and seniors). The additional loan is available to your student only if the PLUS loan is denied due to an adverse credit check.

*PLUS Counseling must be completed at www.studentaid.gov before a PLUS loan can be received by applicants who qualify by obtaining an endorser who does not have an adverse credit history, or who document to the satisfaction of the Department that there are extenuating circumstances related to the adverse credit information.

Who receives the Federal Parent PLUS Loan funds? How will the loan be paid to my student's account?

The loan will be divided equally between the semesters that the loan covers. Minnesota West Community & Technical College will receive the funds and apply them (and any other financial aid your student is receiving) to the charges on your student's account (usually tuition, fees, room and board). If any funds remain after your student's bill is paid, a refund will be sent to the parent or the student (depending upon the refund option selected by you on the PLUS loan application and the order in which the aid is paid to your student's account). This refund is processed by the Minnesota West Business Office. Students may receive a refund via direct deposit if they have signed up for it. Parents receive a paper check in the mail.

Repayment information

After you have accepted the PLUS loan, a "Disclosure Statement" will be sent to you by the Department of Education indicating the amount you are borrowing, the loan period and the loan fees for 2022-23. Repayment of principal & interest begins after the final loan disbursement for the academic year. Interest begins to accumulate at the time the first disbursement is made.

Interest rates are established by the Federal Government each year for loans first disbursed between July 1 and June 30. The current interest rate for Parent PLUS loans for 2022-2023 is a fixed rate of 7.54%. A 4.228% origination fee is currently charged to loans first disbursed on October 1, 2020 and before October 1, 2022. Origination fees are also subject to change on a yearly basis in October, as determined by the Federal Government.

Can I postpone payments? Yes, payments may be postponed while your student is enrolled at least half-time and for an additional six months after your student ceases to be enrolled at least half time. Please contact your loan servicer to request a deferment. For more information about interest rates, repayment plan options, and monthly payment options, visit the Department of Education Web site at www.studentaid.gov
