The **Minnesota West Foundation** congratulates each of our graduates as you take the next step in your educational or professional career. Our mission at the Foundation is to help alumni, community partners, and friends of Minnesota West “give back” to students in the form of scholarships and educational resources. We hope that you will find ways to give back as well - to your communities, to your careers, and to those causes you value. Good luck, and welcome to the alumni club!

– *Cody Henrichs, Foundation Executive Director*

From 2011 to 2024, the Minnesota West Foundation has awarded almost \$1 million in scholarships to its students. That would not have been possible were it not for the individuals, businesses, and organizations who generously donated to those efforts. The list below reflects those donors who, between 2011 & present, have given at least \$1,000 in total cash gifts to the Minnesota West Foundation. We would like to include everyone who has donated, but we would run out of space! Now more than ever we say, "THANK YOU."
