Theater

Highlights

Something that makes Minnesota West stand out from other two year schools is the 242 seat proscenium theater. The space is complimented by a DMX lighting system, full fly/rigging system, and comfortably sized scene shop. Throughout the academic year the theater hosts numerous college events, including:

- Student productions
- Touring shows
- Culture Corner events
- And many, many, other campus activities!

Course offerings

Intro to Theater
Acting Basics
Survey of Musical Theater
Fall/Spring Theater Productions
Intro to Film
Special Topics

Music

Highlights

Students attending Minnesota West have a great opportunity to continue their studies in music and especially music technology. Our newly renovated media equipped classroom features:

- A professional sound system
- Large music staff whiteboard
- Two baby grand pianos

The following updates to our equipment and facilities happened in 2013-2014:

- Project/Recording Studio
- Comprehensive VST Library
- Yamaha O1V96i digital mixer
- Two (2) powerful CS400 quad-core PCs

Course offerings

Fundamentals of Music
Intro to Music Technology
Enjoying Music
Intro to Rock Music
Piano Lessons
Voice Lessons
Special Topics

Art

Highlights

Minnesota West offers students a chance to pursue their interests in art. Student art shows, guest exhibitions, and other special events take place each semester creating an excellent environment for exploring creativity. Many courses are available. The Worthington Campus features:

- A large multi-purpose art studio
- Ceramics studio
- And a lobby/gallery for showcasing works
