

Dear Alumni and Friends of Minnesota West,

On behalf of the staff and Board of Directors of the Minnesota West Foundation, I am pleased to present this annual report for fiscal year 2019 (July 1, 2018 – June 30, 2019). This report recognizes the many supporters of the students and programs at Minnesota West, and it provides a snapshot of our Foundation’s fiscal health.

The Minnesota West Foundation continues to explore modern ways of connecting with its constituents, from electronic newsletters to social media to online giving. We also continue to focus on the best ways to support our college, and by extension, its students. This has primarily been through scholarship support, but as we look to the health and vibrancy of our college long term, this support will continue to evolve. That may also mean college infrastructure support, additional program support, and stronger partnerships with industry.

We are excited to continue to grow our Board of Directors, as we also say goodbye to those members whose terms of Board service have come to an end. And as always, thank you for your continued support of Minnesota West and its Foundation!

Sincerely,

Rick Dalrymple, Board Chair
