Introduction of Video Presentation - Wes Moore "Fitting In."
Cookies and Apple Cider will be available after the presentation.

Our featured video presentation is the second part of a PBS three-part episode series: *Coming Back* with Wes Moore. The second video episode is entitled "Fitting In."

For those of you who attended our PBS presentation last year and viewed the first video *Coming Back* with Wes Moore, you may recognize the Veterans below. This second video explores the notion of identity, how it's altered during deployment and altered again on the return home. Moore explores the experience of coming back fundamentally changed by the experience of war, and the difficulty of fitting back in. Can you create a new life in your old world?
