

MINNESOTA WEST COMMUNITY & TECHNICAL COLLEGE

COURSE OUTLINE

DEPT. SPAN

COURSE NUMBER: 2201

NUMBER OF CREDITS: 4

Lecture: 4 Lab: 0 OJT: 0

Course Title:
Spanish III

Catalog Description:
Spanish III provides for a review of grammar and vocabulary study and allows for practice of the more difficult grammatical concepts in Spanish. Interactive activities using authentic text materials, various literary genre, videos in the target culture, thematic cultural units, and written exercises help students to increase proficiency in the four language modalities: listening, speaking, reading and writing.

Prerequisites or Necessary Entry Skills/Knowledge:
SPAN 1102, one year of college Spanish, three years of high school Spanish, or consent of instructor.

FULFILLS MN TRANSFER CURRICULUM AREA(S) (*Leave blank if not applicable*)

☒ Goal 6: The Humanities and Fine Arts: By meeting the following competencies:

1. demonstrate awareness of the scope and variety of works in the arts and humanities.
2. understand those works as expressions of individual and human values within an historical and social context.
3. respond critically to works in the arts and humanities.
4. engage in the creative process or interpretive performance.
5. articulate an informed personal reaction to works in the arts and humanities.

☒ Goal 8: Global Perspective: By meeting the following competencies:

1. describe and analyze political, economic, and cultural elements which influence relations of states and societies in their historical and contemporary dimensions.
2. demonstrate knowledge of cultural, social, religious and linguistic differences.
3. analyze specific international problems, illustrating the cultural, economic, and political differences that affect their solution.
4. understand the role of a world citizen and the responsibility world citizens share for their common global future.

Topics to be Covered
A review of materials normally covered in Spanish I and Spanish II Situations: Geography and the environment; traveling; health and health care; products, materials and marketing; giving advice and socially acceptable behaviors; relationships and personal values; dealing with stereotypes, prejudice and societal pressures; examining the past

and discussing the future and the role of technology; family life and values; cultural practices, such as death, coming of age, etc.
Grammar and structure: Review as class needs. Commands and making requests; present and past perfect tenses; indicative and subjunctive moods of verbs; conditional forms; passive voice; prepositions, etc.
Readings: Various authentic text materials; various literary works (poems, essays, short stories, etc.)
Culture: Health care in the global community; relationships; stereotypes, prejudice; gender equity; various works of art; interaction of cultures; death and dying issues

Student Learning Outcome
Demonstrate the listening, speaking, reading and writing process in Spanish at an intermediate level.
Integrate their knowledge of the Hispanic culture and their own culture through discussion, projects, and journaling in the target language relating to authentic materials (essays, interviews, articles from newspapers, etc.).
Interpret, create and role play situations demonstrating an understanding of varying views on social issues, beliefs, and political influences.
Demonstrate communication skills necessary for living and working in a multi-cultural society.
