REQUIREMENTS

All students are required to bring a recent (within the last 30 days) certified copy of their current Minnesota driving record the first day of class. This is required for both initial and recertification. Online students must mail or fax (763-488-2723 or 952-995-1331) their driving record in before a card will be issued. Students are responsible for the fee associated with obtaining your driving record. If your license is not issued from the state of Minnesota, please bring a certified copy from the state of your driver's license issuance. Please note-the free online lookup of your driver's license status on the Department of Public Safety, Driver and Vehicle service webpage is NOT an acceptable certified driving record.

Please go to this web address for the form to order a CERTIFIED copy.
