Description:

No other job in the medical field affects more lives than that of a medical biller because everyone involved in the healthcare experience, from the patient and front office staff to providers and payers, relies on you. You are, so to speak, the touchstone in the medical industry. With this responsibility comes great power, and that power must be treated with respect and integrity. This course will give the student a broad overview and practical application necessary to be successful in medical biller role.
