Faculty are required to have the outline submitted to the Academic Affairs Office. The course outline is the form used for approval of new courses by the Collegewide Curriculum Committee.

DEPT. Philosophy COURSE NO. 2222

NUMBER OF CREDITS: 1

COURSE TITLE: Medical Ethics

CATALOG DESCRIPTION: Medical Ethics introduces students to the principles of ethics and how these apply to health care practice. Students will examine two main ethical theories, utilitarian and deontological, as they apply to questions of health care practice. Students will study the ethical principles of autonomy, nonmaleficence, and beneficence. The focus will be on the application of these theories and principles to specific cases. The course is designed for students intending to major in the field of health care. PHIL 2201

AUDIENCE: Students who intend to work in health care.
