Area  :  by meeting the following competencies:
Area  :  by meeting the following competencies:

PREREQUISITES OR NECESSARY ENTRY SKILLS/KNOWLEDGE: None

LENGTH OF COURSE :  Individual and classroom instruction scheduled throughout the semester.

THIS COURSE IS USUALLY OFFERED:
Every other year  [ ] fall  [ ] spring  [ ] summer  [ ] undetermined  [x]

Four goals are emphasized in course at Minnesota West Community & Technical College:

1) ACADEMIC CONTENT: The academic objectives of this course are:
   a. Identify methods to reduce stress and physical injury in transporting sheep
   b. Describe post-hauling care and management of sheep
   c. Describe methods of transporting sheep

2) THINKING SKILLS: This course will help students improve the effectiveness of their thinking skills through:
   a. Identifying proper transporting techniques and considerations
   b. Developing an effective post hauling care and management plan
   c. Monitoring stress and health of transported sheep
3) COMMUNICATIONS SKILLS: This course will help students improve their oral and written communication skills through:
   a. The student will demonstrate proper communication skills with management consultants, trucking firms and veterinarians.

4) HUMAN DIVERSEY: This course will help students recognize, understand, and appreciate human diversity through:
   a. The student will gain awareness of their feelings toward people of different cultures, value systems and socio-economic status.

TOPICS TO BE COVERED: Methods of transporting sheep, cost of transporting, health regulations involved with transporting sheep, post hauling care and management of sheep and stress factors to consider.

LIST OF EXPECTED COURSE OUTCOMES:
1. Describe post hauling care and management of sheep
2. Explain monitoring of stress and health of transported sheep
3. Describe effects of stage of production and loading techniques on well being on sheep
4. Describe effects of weather and distance hauled on well being of sheep
5. Determine health regulations involved with transporting sheep
6. Determine costs and insurance considerations involved with transporting sheep
7. Describe methods of transporting sheep

LEARNING/TEACHING TECHNIQUES used in the course are:
- Collaborative Learning
- Student Presentations
- Creative Projects
- Lecture
- Demonstrations
- Lab
- Problem Solving
- Interactive Lectures
- Individual Coaching
- Films/Videos/Slides
- Other (describe below)

ASSIGNMENTS AND ASSESSMENTS FOR THIS CLASS INCLUDE:
- Reading
- Oral Presentations
- Textbook Problems
- Group Problems
- Other (describe below)
- Tests
- Worksheets
- Papers
- Term Paper
- Individual Projects
- Collaborative Projects
- Portfolio

EXPECTED STUDENT LEARNING OUTCOMES: Students will be evaluated on their ability to:
1. Explain proper transporting techniques and consideration
2. Implement an effective post-hauling care and management plan
3. Monitor stress and health of transported sheep

To receive reasonable accommodations for a documented disability, please contact the campus Student Services Advisor or campus Disability Coordinator as arrangements must be made in advance. In addition, students are encouraged to notify their instructor.

Veteran Services: Minnesota West is dedicated to assisting veterans and eligible family members in achieving their educational goals efficiently. Active duty and reserve/guard military members should advise their instructor of all regularly scheduled military appointments and duties that conflict with scheduled course requirements. Instructors will make every effort to work with the student to identify adjusted timelines. If you are a veteran, please contact the Minnesota West Veterans Service Office.

This document is available in alternative formats to individuals with disabilities by contacting the Student Services Advisor or by calling 800-658-2330 or Minnesota Relay Service at 800-627-3529 or by using your preferred relay service.
