Semester 2 Courses: NURS 1220, NURS 1230, NURS 1250, NURS 1280

LENGTH OF COURSE: 4 weeks

THIS COURSE IS USUALLY OFFERED:
Every other year ☐ fall ☐ spring ☑ summer ☑ undetermined ☐

Four goals are emphasized in course at Minnesota West Community & Technical College:
1) ACADEMIC CONTENT: The academic objectives of this course are to apply theoretical knowledge and skills to clinical situations. Also, assimilates ethical and legal principles of a practical nurse.

2) THINKING SKILLS: This course facilitates learners to improve the effectiveness of their thinking skills through application of the nursing process from an established plan of care, as well as synthesize legal and ethical issues into the practical nurse role. Also, to apply theoretical knowledge via critical thinking in the clinical site.

3) COMMUNICATIONS SKILLS: This course will facilitate learners to improve their oral and written communication skills through demonstration of therapeutic communication with clients, families, peers, and staff and recognition of therapeutic communication as a role in professional relationships.

4) HUMAN DIVERSITY: This course will facilitate learners to recognize, understand, and appreciate human diversity through meeting the needs of clients demographics related to culture and age groups and empowering clients to reach their maximum potential by recognizing their diverse needs.

COURSE LEARNING OUTCOMES (GENERAL):
1. SLO: INFORMATICS/TECHNOLOGY: The practical nursing student will utilize information technology in the health care setting.
2. SLO: MANAGING CARE: The practical nursing student will utilize an established plan of care for an individual patient to organize or assign aspects of care under the direction of an RN or other HCP.
3. SLO: NURSING JUDGMENT/EVIDENCE BASED CARE: The practical nursing student will utilize evidence based practice on nursing judgment when providing and prioritizing care and promoting the health of individual patients across the lifespan.
4. SLO: PATIENT/RELATIONSHIP CENTERED CARE: The practical nursing student demonstrates effective communication skills while providing patient care founded on basic physical, developmental, spiritual, cultural, functional, and psychosocial needs of individual patients across the lifespan.
5. SLO: PROFESSIONAL IDENTITY AND BEHAVIOR: The practical nursing student will demonstrate professional behaviors and accountability to legal and ethical nursing practice standards for a competent practical nurse (PN).
6. SLO: QUALITY IMPROVEMENT: The practical nursing student will participate in quality improvement by recognizing opportunities for improvement and collaborating with the health care team to enhance effective and cost efficient health care services.
7. SLO: QUALITY IMPROVEMENT: The practical nursing student will promote quality care, recognize complications and provide a safe environment for patients, self, and others.
8. SLO: SAFETY: The practical nursing student will serve as a member of the interprofessional team using open communication, mutual respect, and shared decision making to promote safe, quality, patient centered care.
