**MINNESOTA WEST COMMUNITY & TECHNICAL COLLEGE**
**COURSE OUTLINE**

Faculty members are required to have the outline submitted to the Academic Affairs Office. The course outline is the form used for approval of new courses by the Academic Affairs and Standards Council.

**DEPT. **HC  
**COURSE NUMBER:** 1175

**NUMBER OF CREDITS:** 3  
Lecture: 1  
Lab: 2

| Course Title:  
| Nursing Assistant |

| Catalog Description:  
| Introduces concepts of basic human needs and teaches basic nursing skills that will be demonstrated and practiced in the laboratory setting. This course focuses on personal care, nutrition/feeding, elimination, clean and safe environment, communication, vital signs, body mechanics, death and dying, and principles related to long term care. Upon successful completion of the classroom/lab studies, the student will participate in a clinical experience caring for the geriatric client. Background study checks will be conducted. Successful students will be eligible to take the Nurse Aide Competency Examination for certification and placement on the Minnesota Nursing Assistant Registry. This course meets application requirements for MNWest nursing program. |

| FULFILLS MN TRANSFER CURRICULUM AREA(S) |
