Practical Nursing (Diploma) Application Packet

The information in this packet is for application to the 2021-2022 Practical Nursing program which begins with nursing coursework in the fall of 2021. We will accept applications from June 15, 2020 through February 15, 2021. Applications received after February 15, 2021 will not be considered for the fall 2021 start date. **Successful completion of prerequisites is required prior to beginning the nursing program.**

This packet includes:

1. Practical Nursing Program Application Checklist and Practical Nursing Program addresses.
2. Nursing Education Program Technical Standards.
3. Practical Nursing Program Application.
4. Testing Dates and Registration form for **PSB Nursing Aptitude** Test.
5. Practical Nursing Program Sheet.

Practical Nursing Program Application Checklist

The following are required by the **February 15 deadline.**

- Application for Admission to the College and submit a one-time non-refundable $20 application fee. [www.mnwest.edu/admissions/apply](http://www.mnwest.edu/admissions/apply). If you have attended Minnesota West and have previously paid the application fee you are not required to do so again.

- Complete Accuplacer assessment test.

- Submit official high school and college transcripts or copy of GED certificate.

- Complete Practical Nursing Program Application using the enclosed mail-in application or the online application. [https://inoweform.campus.mnsu.edu/imagenowforms/webform/1853c579-7445-439e-985b-284b6c7d3e5e](https://inoweform.campus.mnsu.edu/imagenowforms/webform/1853c579-7445-439e-985b-284b6c7d3e5e) (The Online form utilizes Java, which is a free download. The form only works with these browsers: Internet Explorer 9+, Mozilla Firefox, or Safari. Java is not available for mobile devices, so this form cannot be submitted using a mobile device. Clear your web browser history before submitting the form.)

- Registration for **PSB Nursing Aptitude Test.**

- Complete **PSB Nursing Aptitude Test.** Testing for the PSB Nursing Aptitude Test is limited to three attempts in an application period (June 15 through February 15). If you retest, you must wait one month before retesting. **PSB test scores are valid for two years.**

Send completed application to:

Nursing Admissions
Minnesota West – Pipestone Campus
PO Box 250
Pipestone, MN 56164

For questions, contact: jodi.christensen@mnwest.edu or 507-825-6806

Revised: 6/30/2020
Important Information
Please Read

Practical Nursing Prerequisites
At the time of application, you must have completed or be in the process of completing all of the nursing program prerequisites. Prospective, transfer, current and returning students to Minnesota West should contact the campus Student Services Office for help with course advising regarding the nursing program.

- Completion of a federally approved NA/HHA (Nursing Assistant/Home Health Aide) course of 75 hours or more in length after 1990.
  a. If a NA/HHA course has been taken within the past 3 years, the student is not required to be on the MN NA Registry.
  b. If a NA/HHA course is greater than 3 years old, the student must be on the MN NA Registry.
  c. A test out is available for those students that have taken a course after 1990 and need to obtain certification on the Minnesota NA Registry.

**Clarification:** If a student is just taking the NA course to meet the NA requirement for the nursing program, they **do not need to test out** at the end. However, the student will **not be certified** as a NA/HHA and will not be able to work in this role without the test out.

- Biology (BIOL 1110 or 1115) is a prerequisite to the Practical Nursing Program. This course has a time limit of 5 years. Additional courses with a 5 year limit are Anatomy, Physiology, and Developmental Psychology. Applicants should review currency of courses with a nursing advisor.

- Current CPR certification from the **American Heart Association-Basic Life Support or American Red Cross-CPR for Professional Rescuer.** You must remain CPR certified through the completion of the program.

Program Costs
Tuition and fees are posted on our website at [www.mnwest.edu](http://www.mnwest.edu) and are subject to change. Additional costs include:

- Supplies, books, transportation, and miscellaneous expenses
- Licensure preparation testing (ATI) at the end of program (included in tuition)
- Nursing Pin upon graduation

Transcripts
Official high school and college transcripts must be submitted to the Nursing Department at Minnesota West by the February 15 deadline. Final official transcripts must be forwarded after you complete courses that are in progress. Some general courses required for nursing programs have a time limit of five (5) years (i.e., Biology, Anatomy, Physiology, and Developmental Psychology).

Selection Process
**Admission to the nursing programs is competitive.** Applicants who have met the minimum admission requirements by February 15th will be reviewed for fall admission to the program.

Admission to the nursing program is determined by a screening committee based on the following criteria:

- Nursing test scores (PSB test for Practical Nursing and NLN test for Nursing, A.S.)
- College GPA
- Coursework related to the degree requirements for the nursing program. Minnesota West will evaluate the college transcripts and post transfer credits to your Minnesota West transcript in accordance with Minnesota State policy 3.21. You are encouraged to complete non-nursing courses prior to beginning nursing courses.

Applicants who do not meet the minimum admission requirements or fail to complete the nursing program admission process by the February 15 deadline will be denied admission to the nursing program. Minnesota West will notify all
applicants in writing of their admission status in the nursing program within six weeks of the application deadline. Please do not call to check on your admission status before April 1.

Requirements after Acceptance to the Nursing Program

1. Completion of all prerequisite coursework and courses within the nursing program with a grade of C or higher. C minus (-) grades are not accepted.
2. Current personal health insurance is required. Students are responsible for incurred medical costs during the nursing program.
3. CastleBranch database registration is required for all nursing students. Students are required to upload clinical documents to CastleBranch by July 15 where your health record will be stored while you are in the nursing program. Students are responsible for registering and paying the CastleBranch fee. Documents that must be uploaded to the CastleBranch database include:
   a) Minnesota West Nursing Health History and Physical form.
   b) Written documentation from a health care provider or agency of immunizations/vaccinations/tests which include the following:
      - Hepatitis B series – documentation of three (3) vaccinations or evidence of a positive Hepatitis B titer.
      - MMR (Measles, Mumps and Rubella) – documentation of two vaccinations or documentation of a positive MMR titer.
      - Tdap (Tetanus, Diphtheria and acellular Pertusis) – within the last ten (10) years.
      - Varicella (Chicken Pox) – two vaccinations or documentation of a positive varicella titer.
      - 2 step- Tuberculosis Skin Test or evidence of recent chest X-ray (within one year).
4. Current CPR Certification from one of the following:
   - American Heart Association (AHA) BLS for the Healthcare Provider OR
   - American Red Cross CPR/AED for Professional Rescuers and Health Care Providers.
   - Certification must include ‘hands-on’ demonstration of CPR skills for all age groups and include AED training.
   - Online CPR renewals will not be accepted.
5. Background Checks: Nursing students are required to complete two (2) background checks at beginning of nursing program. Clinical facilities may also require their own background check – in addition to the following background checks: - MN Department of Human Services (DHS) background check pursuant to MN Statute 245C requires that students who have contact with individuals in licensed health care institutions complete an annual background study with the MN Department of Health and Human Services. - Criminal Background Check: students will complete a criminal background check through CastleBranch database, in addition to the MN Department of Human Services background check. If discrepancies occur on background checks, the student will be contacted by the nursing program director. Disqualifying offenses may be found at: https://www.revisor.mn.gov/statutes/?id=245C.15. Criminal background discrepancies may be reviewed by clinical facilities. Clinical facilities have the final decision on if students with a discrepancy may attend clinical experiences at their location.
6. For A.S nursing program only: Students must have an active and unencumbered LPN license throughout the entire AS nursing program.
7. Students are responsible for cost of nursing clinical experiences, health examinations, malpractice insurance, CPR certification, CastleBranch registration fee, etc.
8. ATI examinations are required periodically in the program as well as a national standardized, end-of-program ATI exam near the completion of your final semester to assist in preparation for the licensure exam after graduation. The cost of this preparation tool and examinations by ATI are included in your tuition.
9. ATI review course: Students must complete either a land-based ATI review courses or an online webinar after graduation and prior to receiving authorization to test for the NCLEX-RN exam. Note: Records with any personal medical information are considered confidential documents and are secured in the student CastleBranch database.

(Minnesota West reserves the right to modify admission requirements and/or curriculum for the 2021-2022 Practical Nursing program)
**Minnesota State Practical Nursing Program Performance Standards**

The system of Minnesota State Colleges provides the following example of performance standards that practical nursing students are required to meet and maintain to provide safe and effective care, to be successful and progress in nursing programs. The standards are based on The Minnesota Nurse Practice Act. The examples listed are for illustrative purposes only, and are not intended to be a complete list of all tasks in a nursing program.

Students with documented disabilities, or who believe they may have a protected disability, can request accommodation, which may assist with meeting the standards for nursing programs. Please contact the Minnesota West Accessibility and Disabilities Services Coordinator at 800-658-2330 to schedule an appointment.

PRACTICAL NURSING PROGRAM
APPLICATION

DEADLINE

The application deadline for the 2021-2022 Practical Nursing Program is February 15, 2021. All supporting documentation MUST be received by the Nursing Department by February 15, 2021. Late applications, transcripts, and/or supporting documentation will NOT be considered.

PLEASE PRINT CLEARLY. Please answer all the questions on this application. If you do not, your admission to Minnesota West will be delayed. Items in this section will be used for identification and to determine admission. Items will also be used for advising and counseling, course placement, financial aid decisions, and institutional research.

PERSONAL DATA

Social Security Number (Providing your social security number is voluntary. If you do not provide this number, your application will still be processed. Many colleges/universities use Social Security numbers for student identification purposes on internal student records. The number may be used for purposes of administration, program evaluation, consumer and alumni data, and also may be used to create summary information about system programs through data matches with other state agencies. Without the information, there may be a delay in your ability to receive financial aid or to register for classes. (International students and non-immigrants must complete the international application form and be admitted as international students before they can be accepted into the nursing program)

ADMISSION DATA

Please refer to the nursing program descriptions at www.mnwest.edu/admissions/nursing. Indicate the location you are applying to by checking the appropriate box. Our nursing programs begin in the fall of each year. We recommend that you complete the general education coursework before acceptance into the nursing program.

☒ Practical Nursing (select ONLY one)

Fall Semester, 2021

Please be aware that labs and clinical courses require travel to a nursing lab or clinical site. The selections below relate to theory coursework only.

☒ Granite Falls Campus in Granite Falls, MN – Face to Face and/or ITV

☒ Pipestone Campus in Pipestone, MN – Face-to-Face and/or ITV

☒ Worthington Campus in Worthington, MN – Face-to-Face and/or ITV

☒ Online theory coursework
STATEMENT OF UNDERSTANDING

By signing below, I agree to the following:

1. This application is valid only for the semester for which I have applied. If necessary, it will be my responsibility to reapply.
2. I have reviewed and understand that I must successfully complete the prerequisites prior to the fall 2021 semester.
3. I have reviewed and understand that I must successfully complete the admission requirements.
4. I understand that if information is missing from my file, I will NOT be admitted to the Practical Nursing Program.

Signature (required by all applicants)

All of the information included is true and complete to the best of my knowledge. I understand that misrepresentation of application information is sufficient grounds for canceling admission. I have read and understand the general nursing information, the application process and the admissions criteria as outlined at www.mnwest.edu/admissions/nursing.

- All applicants will be notified in writing of admission status within six weeks of deadline
- INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED. Please initial here ________________

Pipestone, MN 56164

For questions, contact: jodi.christensen@mnwest.edu or 507-825-6806
The PSB Nursing Aptitude Test is a requirement for all applicants to the Practical Nursing Program. This three-hour computer-based test is composed of sections on math, natural science, reading, spelling, English and judgment. You will be required to present a valid photo ID at the time of testing.

**Testing for the PSB Nursing Aptitude Test is limited to three attempts in an application period (June 15th through February 15th). If you retest, you must wait one month before retesting. PSB test scores are valid for two years. The deadline to complete testing will be February 15, 2021.**

**TWO OPTIONS TO TEST:** A valid email address is required for confirmation notification of your registration.

1. College proctored $75.00 – On-Campus at Granite Falls or Worthington locations. This is a proctored computer test that starts PROMPTLY at the time indicated. Please plan to arrive at least 30 minutes early. For driving directions go to [www.mnwest.edu/campuses](http://www.mnwest.edu/campuses) and click on the campus where you will test.

   **Granite Falls – Room 113**
   - Wednesday, December 2, 2020 at 1pm
   - Thursday, January 7, 2021 at 1pm
   - Tuesday, February 9, 2021 at 1pm

   **Worthington – Room 606**
   - Wednesday, November 11, 2020 at 1 pm
   - Thursday, December 3, 2020 at 1 pm
   - Thursday, January 7, 2021 at 9 am
   - Wednesday, January 20, 2021 at 1 pm

2. Home proctored through PearsonVue—Students choosing to test at home will be sent an email link to register and to make $85 payment directly to PSB. A webcam and microphone are required to test. Student will need to complete the home proctored exam within 2 weeks from time of confirmed registration.

   **COMPLETE, DETACH AND RETURN WITH YOUR $75.00 REGISTRATION FEE TO:**
   Minnesota West College Attn: Jodi Christensen, PO Box 250, Pipestone, MN 56164.
   Make check or money order payable to MINNESOTA WEST COLLEGE. **DO NOT SEND CASH.**

**CHOOSE ONLY ONE OPTION:**

_____ College Proctored $75 - **REGISTRATION IS FIRST COME, FIRST SERVE BASIS. PLEASE REGISTER EARLY TO ENSURE THERE IS ROOM AVAILABLE.**

   Date __________________________ Location ______________________________________

_____ Home Proctored through PearsonVue - **DO NOT SEND MINNESOTA WEST COLLEGE PAYMENT.** If you choose this option, you will be sent an email link to register and **make $85 payment directly to PSB. STUDENT WILL HAVE TWO WEEKS TO COMPLETE THE HOME PROCTORED TEST AFTER CONFIRMED REGISTRATION.**

   Name: ___________________________________________ Day Time Phone Number ___________________________

   Address: __________________________________________ (House, Apartment Number, Street, PO Box/Rural Route)  
   City ___________________ State ______ ZIP Code _______

   Email address required for confirmation of registration (please print) ________________________________

**PSB TEST REGISTRATION IS NOT COMPLETE UNTIL CONFIRMED WITH STUDENT VIA EMAIL.**

**DEADLINE TO COMPLETE THE TEST IS FEBRUARY 15, 2021.**

Updated 11/4/2020
Practical Nursing, Diploma

Practical Nursing is designed to create upward mobility nursing education opportunities. After successful completion of the Practical Nursing Program, students will receive the Practical Nursing Diploma and be eligible to take the NCLEX-PN examination. Students may exit at this point or continue in the program to receive the Associate Degree in Nursing and are then eligible to take the RN licensing examination.

PREREQUISITES: These must be taken prior to starting the nursing program: Nursing Assistant (NA) course (from a state approved NA course and location), BIOL 1115 Human Biology or equivalent biology course is required before taking Anatomy, EMS 1112, AHA CPR for Healthcare Provider, AED First Aid Certification or equivalent certification course. (Certification must be the American Heart Association-Basic Life Support or American Red Cross-CPR for Professional Rescuer). Students must remain certified through the completion of the program.

The following course sequence is required for completion of this program. Only students who have been accepted into the Nursing program are allowed to take the nursing courses. The non-nursing courses listed may be taken either before or during the program, with the exception of the prerequisite courses which must be taken before the beginning of the program. Recommended courses for Practical Nursing Program: MATH 1111 College Algebra, BIOL 2245 Medical Terminology, and CSCI 1102 Introduction to Microcomputers.

**Notes:** Practical nursing students are required to participate in the ATI Integrated Testing Program. Required end of program assessment will include:

- Completion of a ATI Integrated predictor exam prior to graduation
- Completion of a ATI Review course prior to authorization to test for NCLEX-PN exam

*Clinical situations are a part of the program and are done in healthcare facilities located in southwest Minnesota. On-campus and online learning students need to be prepared to travel to assigned clinical sites as part of the program.*
Nursing, A.S. (Registered Nurse)

Nursing A.S. is designed for Licensed Practical Nurses who wish to obtain the Associate of Science Nursing Degree. It is an entrance point for mobility students who have graduated from another nursing program or have completed Minnesota West’s Practical Nursing Program. After successful completion of the Nursing A.S. Program, students are awarded the Associate of Science (AS) Nursing Degree and are then eligible to take the NCLEX-RN examination. Students are also eligible to articulate to BSN/BAN programs in the Minnesota State system.

2020 – 2021 Admission Requirements:
(Minnesota West reserves the right to modify admission requirements and/or curriculum for the 2021-2022 AS Nursing program)

For Minnesota West Practical Nursing students applying to progress to the AS Nursing program:
1. Licensed as an LPN by August 1.
2. Cumulative prerequisite GPA of 3.0 in BIOL 2201 (Anatomy), BIOL 2202 (Physiology), ENGL 1101 (Composition I), and PSYC 1150 (Developmental Psychology).
3. No grade lower than a “C” is accepted in any course required for the AS Nursing program (including prerequisites).

For licensed LPN’s applying to enter the AS Nursing program:
1. Licensed as an LPN by August 1.
2. Cumulative prerequisite GPA of 3.0 in BIOL 2201 (Anatomy), BIOL 2202 (Physiology), ENGL 1101 (Composition I), and PSYC 1150 (Developmental Psychology).
3. No grade lower than a “C” is accepted in any course required for the AS Nursing program (including prerequisites).
4. Minimum decision score of 80 on the National League for Nursing (NLN) NACE I Foundations Entrance Exam. Applicants may only take entrance exam twice in an application period, one month apart. Entrance exam scores are valid for a two-year period of time.

NURS 2000, Transition into Professional Nursing Education (1 credit), is required prior to entrance into Fall Semester nursing classes for students who have graduated from another nursing program or are returning to Minnesota West’s Nursing Program.

The following course sequence is required for completion of this program. Only students who have been accepted into the Nursing program are allowed to take the nursing courses. The prerequisite courses shown must be completed before beginning the program.

### Notes:
A nursing preceptorship **NURS 2275** (1-2 credits) is optional upon completion of all nursing coursework.

**Recommended electives include:** ENGL 1102, humanities, social sciences *(HIST 1101, HIST 1102, geography, political science or economics)*, chemistry, BIOL 1115, PSYC 1101, college math or statistics.

**Humanities:** choose from the areas of art, literature, theatre, HIST 1111, HIST 1112, music, or any course with HUM designator.

AS nursing students are required to participate in the ATI Integrated Testing Program. Required end of program assessment will include:

- Completion of a ATI Integrated predictor exam prior to graduation
- Completion of a ATI Review course prior to authorization to test for NCLEX-PN exam

*Clinical experiences are a part of the program and are completed in healthcare facilities located in southwest Minnesota. On-campus and distance learning students need to be prepared to travel to assigned clinical sites as a program requirement.*
