**CARES Act**

The federal government recently passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. A portion of this legislation is to support college and university students affected by the COVID-19 pandemic and economic downturn.

The CARES Act provides money to cover student expenses related to the disruption of campus operations due to COVID-19. Eligible expenses include those considered as the student’s cost of attendance, such as food, housing, course materials, technology, health care, and childcare.

The CARES Act does exclude the following students from receiving awards:

- PSEO students (Online College in the High School, concurrent enrollment, regular PSEO)
- Exclusively online students
- Incarcerated students
- Students paying the senior citizen rate/noncredit courses
- DACA and Dream Act Students
- International students with Educational Visas

The list of eligible students is based on those enrolled as of March 6, 2020. Eligible students will receive $275 or $550 awards based on financial aid Pell eligibility. Money will be transferred to direct deposit bank accounts on file. If students do not have a direct deposit bank account set up, a check will be mailed to the permanent address listed in eServices.
