Law enforcement day is set up to allow potential students to come to the Worthington campus to “sit in” on a typical day’s classes that law enforcement students attend while in the program. This will give potential students a feeling for the program and allow them to meet the instructors, tour the campus and program facilities, and receive information on the program. Interested students will receive information about program entrance requirements and will discuss the information included in the law enforcement packets.

THREE DATES AVAILABLE FOR LAW ENFORCEMENT ORIENTATION

FEBRUARY 19 • MARCH 19 • APRIL 16

9:00 A.M. - 1:00 P.M.

Choose one of three days to learn more about Law Enforcement. Come to campus to explore in person. Attend an overview presentation, meet with current students, observe a current hands on training class, and visit with current Law Enforcement instructors.
