Beginning October 19, 2020: M, T, H 10 AM - 2 PM; Ending November 19th, 2020
Granite Falls Minnesota West
1593 11th Street
Granite Falls, MN
Schedule will be provided at the time of inquiry. Serious inquiries only.

Class Overview
Provides students with details of welding and cutting processes, terminology and joint design, related areas of shop math, measurement, and reading technical drawings. Blueprint reading presents a thorough foundation for understanding the symbols, practices, and concepts used in prints for manufacturing.

You can find more information on each of these courses on the mnwest.edu page.

WELDING TRAINING

Things to do if you’re Interested
Scholarship available. Contact us today!
