www.mnwest.edu/training under Manufacturing & Trades

GENERAL INFORMATION  
You are not legally obligated to provide any of the requested information on the registration form. However, our office may have difficulty providing adequate services if we do not receive the appropriate information. This information will be kept confidential.  

Refund Policy: Cancellations must be made no later than 2 business days prior to the course. The full course fee will be charged if cancellation is made in less than 2 business days. Full refunds will be given for all classes cancelled by Minnesota West Community & Technical College. Registration is transferable to another person.  

Equal Opportunity: Minnesota West Community & Technical College is committed to a policy of nondiscrimination in employment and education opportunity.  

Sexual Harassment: Any Customized Training Services student or staff member who believes he/she may have been harassed should report the incident to Karen Miller, Human Resources, Minnesota West Community & Technical College, 1011 First St. W., Canby MN 56220, 507-223-7252.  

Senior Citizen: Senior citizens taking course(s) through Minnesota West Community and Technical College Customized Training Services/Continuing Education will be charged according to Minnesota Statute 135A.52, which states: A senior citizen taking a closed enrollment contract training or professional continuing education courses must pay the regular tuition charge for the course and is not eligible for a free/or reduced rate.  

ADA: This document can be made available in alternative formats such as large print, Braille, or audiotape. For TTW communication, contact the Minnesota Relay Service at 1-800-627-3529 and then ask them to place a call to the campus. If you need an accommodation to enable you to fully participate in this activity, please contact the campus two weeks prior to the training for supplemental services for persons with disabilities.
This course covers both low and high pressure boilers used in steam and hot water heating and process installations. This course is designed for those who want to acquire a Special license or upgrade to a Second class B or C license.

**Date:** May 4 & 5, 2021

**IMPORTANT EXAM INFORMATION: Read carefully!**

Anyone planning to take the boiler license exam, must complete a boiler license application. The application and/or affidavit and an exam fee must be mailed to and received by the MN Dept. of Labor and Industry at least 15 calendar days before the day of the exam. Address: MN Dept. of Labor and Industry, Construction Codes & Licensing Division, PO Box 64219, St. Paul, MN 55164-0219, 651-284-5059. Applications and affidavits can be obtained online at: www.dli.mn.gov  
Fax: (651) 284-5743  
Email: DLI.License @state.mn.us

After your application has been approved, you will receive a confirmation letter in the mail. Please bring your confirmation letter and a picture ID with you the day of the exam.
