

# MEDICAL LABORATORY TECHNICIAN & RADIOLOGIC TECHNOLOGIST CAMP

April 6, 2023 | 9AM-2PM

Sanford Health Luverne in partnership with Minnesota West Community & Technical College is hosting a lab and radiology camp to high school sophomores, juniors and seniors. This camp includes a behind-the-scenes glimpse of lab and radiology careers, including what college life is like in experiencing the MN West Luverne campus! This experience includes hands-on activities, presentations and tours, and investigates how these careers work alongside other healthcare careers.

## LIMITED TO 30 STUDENTS

Register by March 31, 2023

### CAMP OFFERS STUDENTS

- Contact with professionals in the healthcare field
- Access to specialized areas of healthcare
- Experience what schooling is needed for these careers and what college life is like
- Free lunch provided

### CAMP APPLICANT CRITERIA

- Sophomore, junior or senior in high school for the 2022-2023 school year
- Need to provide your own transportation if you are attending independently

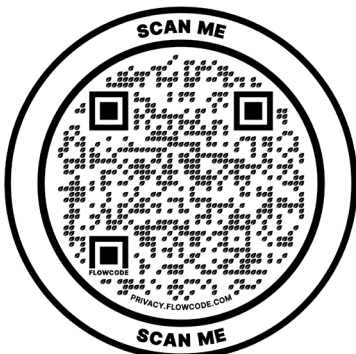

Tour starts at
