Easy Automation Inc. Bruce Larson Memorial Scholarship

Bruce P. Larson was a long-time employee of Easy Automation Inc. In his over twenty years of service to EAI, Bruce was instrumental in developing the electrical/controls department at EAI. Bruce lost his battle with cancer on May 3, 2015. In honor of his commitment to excellence, EAI is providing a $1000 scholarship to a student pursuing a degree in a program from his career area.

Purpose of the Scholarship:

To provide financial assistance to a student with an interest in pursuing continuing education in the field of electrical controls or electrical engineering.

Eligibility:

Students who meet the following criteria are eligible for the scholarship. The candidate:

- is a citizen of the United States of America
- has a minimum grade point average of 2.8
- plans to enroll in full-time undergraduate study at a two or four-year college, university, or vocational-technical school for the entire 2020-2021 academic year in a career field related to the areas of electrical controls or electrical engineering
- must submit application and all required materials by deadline date

Application Process:

Application materials must be received by April 1, 2020 in order to be considered. The following materials should be submitted:

- Completed application form
- One page typed (double spaced) essay outlining student’s career goals and how they plan to use controls/electrical engineering to impact people in a positive way.
- Official copy of transcript documenting G.P.A.
- One letter of reference or recommendation from a teacher, professor, coach or mentor that is not an immediate relative
- Letter of Acceptance or some form of verification of acceptance to a two or four-year academic program for the 2020-2021 academic year

Award:

One $1000 scholarship to cover tuition, books, and supplies will be awarded each year. Award is not renewable and not eligible for reapplication. Awards are for undergraduate study only.

Notification to Recipient:

Scholarship recipient will be notified by May 1, 2020. The recipient must submit a college transcript after the first semester of the 2020-2021 academic year showing successful completion of the first semester classes. This will also confirm that the recipient was a full-time student that maintained a G.P.A of 2.8 during that semester. Once this documentation has been received by EAI, a check will be made out and mailed to the academic institution. The recipient will be responsible for providing EAI with the correct mailing information to their institution.
